“ Missing authentic Syrian food ?
Missing grandma’s hearty dishes ?

Patternz offers you a damas cuisine of zesty choices that will make you raving about !

Syria is the home of the oldest human civilizations, the cradle of heavenly messages, and the land of the Levant that witnessed the birth of the first human civilizations, and human creations and achievements, the effects of which are still present today, such as the civilization of Mari, Ebla, Ugarit, Amrit, Apamea, Dura-Europos, Palmyra, Bosra, Shahba, and Al-Rusafa.

It is truly civilization and history, a summary of global human history, the land of civilizations that spread ancient human knowledge and innovations, and the land of religions, a land that experienced more than eight thousand years of civilizational momentum and an ancient human presence.

سورية موطن أقدم الحضارات الإنسانية، ومهد الرسالات السماوية إنها أرض الشام التي شهدت ولادة أولى الحضارات الإنسانية، وإبداعات الإنسان ومنجزاته التي لاتزال آثارها ماثلة إلى اليوم كحضارة ماري، إيبلا، وأوغاريت، وعمريت، وأفاميا، ودورا أوروبوس، تدمر، بصرى، شهبا، والرصافة

هي سورية الحضارة والتاريخ حقاً، وخلاصة التاريخ الإنساني العالمي، وأرض الحضارات التي نشرت المعرفة والابتكارات الإنسانية القديمة وأرض الديانات، أرض عاصرت أكثر من ثمانية آلاف عام زخماً حضارياً وتواجداً إنسانياً عريقاً
